AMENDMENT

Technology Center 2100

Director of the United States Patent and Trademark Office Washington, D.C. 20231

Sir:

٧.

In response to the Office Action dated April 9, 2003, please amend the above-identified application as follows:

Claims 19, 20 and 21 have been added as follows:

- The method of claim 1, wherein the validation database transmits data to the universal session manager of the host service provider indicating which services the user is enrolled.
- ₹20. The method of claim 1, wherein the host service provider receiving the single login from the user is performed over a network. ❖
- ₹21. The system of claim 7, wherein the validation database transmits data to the universal session manager of the host service provider indicating which services the user is enrolled. ⊀
